5. A motion was made and approved to move the Public Safety Advisory Board Meeting to the Village Hall from the Log Cabin since it is lightly attended with the Provision that if needed do to do to attendance can be move at that time back to Log Cabin as needed. This was approved by the board.

Another motion was made to move the meeting time from 7:00pm to 6:00pm This too was approved by the board.

Discussion opened with the pilot test of speed tables and the first one being Installed on 11th and 112st. The board asked if there has been any formal or Just verbal complaints or suggestions made to the village hall. So far none have Been received.

The board moved onto the streetlight test project from FPL. So far we found out None have been placed in the Village yet. This was news to the board, we had Under the impression that a few had been placed around the village and we just Couldn't locate them. We did find there were some placed on the North Miami Side of 121st between 8th ave and 11th ave.

The board received clarification of our state of Florida legislators urging of FPL to put lines underground. Its not mandated but just urged to.

Board member Mike Redmond, is still out looking at hidden and unmaintained Powerlines behind homes and or in difficult areas to get to.
